

## CLEAN N RESTORE™

Under the leadership of Darren McMillan, Clean N Restore™ has become an emerging player in the disaster cleaning restoration market. Based in the Hunter (Australia) we specialise in disaster restoration and provide cleanup of residential and commercial buildings after fire, soot, water, mould and other types of property damage. We focus providing a high quality service. As a courtesy to clients we do it right the first time every time.

As well as many householders, we offer services to corporate clients including:

- The Department of Housing
- Transfield &
- Munters Restorations

## SERVICES

Our services include:

- Carpet Water Extraction
- Carpet Cleaning
- Floor Water Extraction
